I choose independent living at Goodwin

Please add me to the register of interest for Goodwin retirement villages

SOME THINGS YOU NEED TO KNOW

ALLOCATION:	Allocation of any apartment or villa will be to the party who has been on the register of interest longest and who wishes to accept the allocation offer.
AGE:	Generally, applicants must be over the age of 60 to occupy an apartment or villa. However, a person under the age of 60 may be eligible to occupy where they are a spouse or partner of an applicant over the age of 60.
VISITORS:	Only applicants can occupy an apartment or villa. Short term visits beyond 14 days can be approved by Goodwin management. Visitors must also comply with the Village Rules.
PETS:	While pets may be approved, applicants need to be aware that their apartment or villa is part of a small community. Each pet will be considered upon occupancy on a case by case basis on application to Goodwin management.
